MAINTENANCE OF RECORDS

Accounting is an integral part of an interior designer's business. But the interior design business has its own quirks, and accounting for interior designers is a bit different from other industries as a result.

DESIGN PER BUDGET

Interior designers can charge anything between 3 lakh to 7 lakh or more based on the kind of interiors you choose and the size of the project. It's also important to keep in mind that interior designing costs should generally be 10%-15% of property cost and for larger homes such as villas, it should be about 30%-35%.

FINANCIAL PROCESS

PERFECT ALIGNMENT

Elements such as line, shape, colour, and texture all play a role in creating a balanced and harmonious space. Lines, whether vertical, horizontal, or diagonal, can create a sense of direction and movement in a space.
